

Equal section thin-walled bearing

Open KAA series-KAA15CL0

参数信息:

|                    |          |
|--------------------|----------|
| Bearing number :   | KAA15CL0 |
| Bore diameter :    |          |
| in :               | 1.5      |
| mm :               | 38.1     |
| Outside diameter : |          |
| in :               | 1.875    |
| mm :               | 47.625   |
| Thickness :        |          |
| in :               | 0.1875   |
| mm :               | 4.763    |
| Radial loadCoN :   |          |
| Static :           | 1779     |
| Dynamic :          | 1000     |
